back! It's Homecoming Dance  
time and Kait is excited. It's her

first dance with a date and that date is none other than one of the hottest, most popular guys in her school, Ethan Ripley! For once Kait doesn't feel like a funeral crashing weird girl and it's the most perfect romantic evening ever...at least until a girl gets murdered in the high school bathroom. Rumors fly, panic ensues, and Kait can't help herself, she assigns herself to the case! \*\* mystery, young adult, ya, mysteries, thrillers, chillers, teen sleuth, teen read, nancy drew, veronica mars, pretty little liars, the lying game, size 12, romance, contemporary romance, teen romance, cozy mystery, murder mystery This early collection of Achtenberg's poetry treats the intersection of the inner and the outer life through issues of social justice that remain crucial, and the ways history and its traumas sit in us. Her themes include women's rights, poverty, war, racism, and sexual abuse. Her vision of concern spans the world, from her own inner city neighborhoods to the wider world, anywhere people are oppressed. "I can't tell you how wonderful and naked these poems are and a rare thing for a woman to be able to give it. What you are writing is not just something for this day you are wringing ringing out a cry you are privy to a great cry out a wonderful vision of a woman's agony. You have a witch's terrible straight look and you must go on with this vision . . . to show the utter depravity and cruelty of the oppressors, amidst screams of destruction, the past and future hiroshimas. This is the poetry of our

resurrection. For the blood, for the healing. For love." -- Meridel Le Sueur (excerpts from letters to the author) "I didn't know how much I needed this book until I read it. And I didn't know how much I'd been longing for a northamerican poetry that speaks with passion and authority of both the inner and outer life, as well as the point where they intersect; that place that is 'political' understood in its most fierce and fearful, sad and triumphant sense. Achtenberg's eye for detail is accurate and often startling, both compassionate and ironic; the rhythms of her language are resonant and complex beyond what we have come to expect from northamerican poetry. Anya Achtenberg's poetry gives both pleasure and courage." -- Jim Moore, author of Invisible Strings ANYA ACHTENBERG is an award-winning author of the novel Blue Earth, and novella, The Stories of Devil-Girl (both with Modern History Press); and poetry books, The Stone of Language (West End Press 2004; MHP 2020); and I Know What the Small Girl Knew (Holy Cow! Press; MHP 2020). Her fiction and poetry have received numerous prizes and distinctions, and been published in numerous literary journals, including Harvard Review; Malpaís Review; Gargoyle; Tupelo Quarterly; Hinchas de poesía; Poet Lore; and many more. intention is to present the Legend telling how my ancestor witnessed one of the most fundamental turn of the Human history: Genghis Khan's vast Mongol empire's rise and decline, the Muslim world's crisis and beginning of the still ongoing expansion as well as crumbling of the Roman Church's crusade and political superiority. The stage is Central & Eastern European Region and the Near East at the time of the crusades. Women dream, plan, organize, and accomplish great things in this world. What can we learn from those who have gone before us about the wise ways to handle our power as women? Thelma looks at the women of the Bible to help us understand how to be godly women, when to lead, and when to step back and let others shine. Would her life have been better if she'd had sex with her supervisor when she was 23? Hester Smith is a woman who always played life near the sidelines—until she decides to rescue a teenage Mexican prostitute. She's up against the border sex trade in Southern California that works like a drug cartel, where the smuggled contraband is teenage girls forced to work as prostitutes in undeveloped canyons just outside suburbia. Law enforcement agencies know it happens, as do investigative journalists, yet the illegal sex trade continues to exist. While she prepares for the rescue, Hester discovers that the man with whom she almost had an affair—her mentor when she was a 23-year-old student teacher—had

been simultaneously having a sexual relationship with a 16-year-old student. Hester mines her own memories of the would-be affair and ultimately tracks down the former 16-year-old. When these two women with a shared scandal in their pasts confront one another, the meeting coincides with the last step necessary to rescue the teenage prostitute Hester has tried to protect. It is only this mayhem that allows Hester to finally take ownership of her decisions and regrets. A collection of personal essays by popular young adult and women's fiction writers considers the ways in which the books of Judy Blume influenced their emotional, social, and physical developments. From the author of SOPHIE'S WORLD, a modern fairy tale with a philosophical twist. 'My father died eleven years ago. I was only four then. I never thought I'd hear from him again, but now we're writing a book together' To Georg Røed, his father is no more than a shadow, a distant memory. But then one day his grandmother discovers some pages stuffed into the lining of an old red pushchair. The pages are a letter to Georg, written just before his father died, and a story, 'The Orange Girl'. But 'The Orange Girl' is no ordinary story - it is a riddle from the past and centres around an incident in his father's youth. One day he boarded a tram and was captivated by a beautiful girl standing in the aisle, clutching a huge paper bag of luscious-looking oranges. Suddenly the tram gave a jolt

and he stumbled forward, sending the oranges flying in all directions. The girl simply hopped off the tram leaving Georg's father with arms full of oranges. Now, from beyond the grave, he is asking his son to help him finally solve the puzzle of her identity. It looks like a lonely summer ahead for Tracy Matson. She's the only girl her age in the small town of High Flats. And Leroy Wilson, the only boy, thinks she's a know-it-all, even after Tracy tries to make friends by giving him a chocolate-icing-on-rye sandwich. Things start looking up when her pen pal, Casey Valentine, pays a surprise visit. But now Tracy has another problem: She told Casey that she loves to read. What if Casey--who wants to be a writer--finds out that Tracy is really a rotten reader? Suppose Leroy spills the beans? Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale. 'Meisje vermist' is het derde deel en slot van de Vermist-trilogie van Sophie McKenzie. Nu met politie niet betreden-elastiek. Wanneer Madison haar oudere zus Lauren bezoekt, onthult die dramatisch nieuws over hun biologische vader: hij was een anonieme spermadonor. Madison is vastbesloten de man op te sporen en al snel

boekt ze resultaat. Tijdens haar heftige zoektocht ontdekt Madison een mysterieus netwerk van vermiste meisjes en geheime schuilplaatsen. Voordat ze het beseft bevindt ze zich in groot gevaar en is er geen weg meer terug. Is haar vader de man die hij lijkt te zijn? When Dalu the village recluse saves Simdi, a girl with a shadowed past; he never expected that his life was going to take an unexpected turn. As he gradually begins to break out of his carefully constructed shell due to her influence; he cannot help but question if she is a blessing or if he is cursed to be doomed forever in the prison of his memories. She was a brilliant young scientist with information locked in her head that could overturn the powers that be. He was an aristocrat from a foreign land whose heart had grown cold from years of meeting women with an agenda. Their love would take time to form, but would one day burn brighter than a thousand stars. But after the flames of infatuation burned out, what would pull a rocket scientist and an oil baron together? This book is based on the research analysis of a real online conversation between two persons that barely knew each other, and that started banging one another after a one night stand. One is a guy that bangs multiple girls at the same time, and the other is our girl, Daisy. Daisy gave away their conversation for the purpose of this book upon realizing that she was being cheated by a guy having sex with multiple women and not just her. Along

these chapters, you will have a chance to see how a real Player manipulates a woman into having sex with her multiple times, and which strategies he uses, even when she doesn't like him and doesn't want sex with him. Along the conversations between these two, you will have a clear psychological analysis of the process occurring in each other's mind to finally understand how to text any woman properly. The bloodline of a god lives on... Two women, both unaware of their true heritage, and both with Magic within them, learn to control their gifts and use them for good, as they fight against those who threaten the lands of Ayrenia. The sequel to Bloodline brings two new strong heroines, Autumn Storm and Tessa Oak, to follow in the footsteps of Braelyn. What will they have to sacrifice to keep their world safe? Dit najaar verschijnt het tweede boek van online celebrity Zoe Sugg. AKA Zoella. Haar eerste boek *Girl Online* (januari 2015) is wereldwijd een groot succes. Zoe beschrijft in haar boeken het leven van een blogster die blogt over jongens, schooldrama's, vriendinnen, familie en de minder leuke momenten in haar leven. Het is niet autobiografisch, maar Zoe weet natuurlijk als geen ander waar ze het over heeft. From acclaimed author Alan Cheuse comes a trio of provocative novellas. In the title piece, *Paradise*, or, *Eat Your Face*, we meet travel writer Susan Wheelis and follow her exotic journey to Bali, and into her own frustrated soul. Care

centers on Rafe Santera, a recent stroke victim who was once a vibrant, intellectual romantic. Attended by one of his many female admirers, we find ourselves in the midst of an unusual and politically incorrect love story. Cheuse takes us into Santera's erotic past, set against the daily struggles of a harrowing decline. The third novella, *When The Stars Threw Down Their Spears and Watered Heaven with Their Tears*, follows author Paul Brunce as he grapples with art, life, and family. Publisher's Weekly has praised Cheuse's "impressive command of many voices" and, in this collection, he is once again in top form and in possession of a powerful range of literary gifts. *WHEN YOU WISH UPON A...TOOTH?* An inspiring and compelling memoir from a young woman who lost her childhood to slavery—and built a new life grounded in determination and justice. When Shyima Hall was eight years old, her impoverished parents sold her to pay a debt. Two years later, the wealthy family she was sold to moved to Orange County, California, and smuggled her with them. Shyima served the family eighteen hours a day, seven days a week until she was twelve. That's when an anonymous call from a neighbor brought about the end of Shyima's servitude—but her journey to true freedom was far from over. A volunteer at her local police department since she was a teenager, Shyima is passionate about helping to rescue others who are in bondage. Now a US

citizen, she regularly speaks out about human trafficking and intends to one day become an immigration officer. In *Hidden Girl*, Shyima "commands unfailing interest, sympathy, and respect" (Publishers Weekly), candidly reveals how she overcame her harrowing circumstances, and brings vital awareness to a timely and relevant topic. An exciting novel set in China at the turn of the last century about a fourteen year old girl called Ko-Chin who is married off in an arranged marriage. She's been taught to obey her husband and be a good and dutiful wife - but her husband is a reformer who believes she should think for herself. Soon they are both caught up in a rebellion and Ko-Chin has to decide between her old traditions and the new western ways.\* Combines historical accuracy with a fast-moving and exciting plot Written by bestselling author melody carlson. Meet Morgan, Amy, Carlie, and Emily. They all live in the trailer park at 622 Harbor View in tiny Boscoe Bay, Oregon. Proximity made them friends, but a desire to make the world a better place—and a willingness to work at it—keeps them together. In the first book of this new series, *Project: Girl Power*, bullies knock Emily from her bike on her way home from school, so the girls start walking together because there's safety in numbers. With help from other people in the park, they set out to beautify Harbor View. In book two, *Project: Mystery Bus*, the girls begin summer by working to

clean and restore their bus to use as a clubhouse. And thus begins the Rainbow Club. In book three, Project: Rescue Chelsea, Carlie makes a new friend. Chelsea Landers lives in a mansion and isn't always very kind. Carlie would like a best friend, but will Chelsea fit in with her other friends? In book four, Project: Take Charge, the girls decide to take action when they find out their town's only city park has been vandalized and may soon be turned into a parking lot.

One of the great heroines of American literature, Isabel Archer, journeys to Europe in order to, as Henry James writes in his 1908 Preface, “affront her destiny.” James began “The Portrait of a Lady” without a plot or subject, only the slim but provocative notion of a young woman taking control of her fate. The result is a richly imagined study of an American heiress who turns away her suitors in an effort to first establish—and then protect—her independence. But Isabel's pursuit of spiritual freedom collapses when she meets the captivating Gilbert Osmond. “James's formidable powers of observation, his stance as a

kind of bachelor recorder of human doings in which he is not involved,” writes Hortense Calisher, “make him a first-class documentarian, joining him to that great body of storytellers who amass what formal history cannot.” A debut that Neil Gaiman calls “Glorious. . . . So sharp, so focused and so human.” The *Girl in the Road* describes a future that is culturally lush and emotionally wrenching. Monica Byrne bursts on to the literary scene with an extraordinary vision of the future. In a world where global power has shifted east and revolution is brewing, two women embark on vastly different journeys—each harrowing and urgent and wholly unexpected. When Meena finds snakebites on her chest, her worst fears are realized: someone is after her and she must flee India. As she plots her exit, she learns of the Trail, an energy-harvesting bridge spanning the Arabian Sea that has become a refuge for itinerant vagabonds and loners on the run. This is her salvation. Slipping out in the cover of night, with a knapsack full of supplies including a posit GPS, a scroll reader, and a sealable waterproof pod, she sets off for Ethiopia, the place of her birth. Meanwhile, Mariama, a young girl in Africa, is forced to flee her home. She joins up with a caravan of misfits heading across the Sahara. She is taken in by Yemaya, a beautiful and enigmatic woman who becomes her protector and confidante. They are trying to reach Addis Abba, Ethiopia, a metropolis

swirling with radical politics and rich culture. But Mariama will find a city far different than she ever expected—romantic, turbulent, and dangerous. As one heads east and the other west, Meena and Mariama's fates are linked in ways that are mysterious and shocking to the core. Written with stunning clarity, deep emotion, and a futuristic flair, *The Girl in the Road* is an artistic feat of the first order: vividly imagined, artfully told, and profoundly moving. Just as women in the Bible have been overlooked for much of interpretative history, children in the Bible have fascinating and compelling stories that scholars have largely ignored. This groundbreaking book focuses on children in the Hebrew Bible. The author argues that the biblical writers recognized children as different from adults and used these ideas to shape their stories. She provides conceptual and historical frameworks for understanding children and childhood, and examines Hebrew terms related to children and youth. The book introduces a new methodology of childist interpretation and applies it to the Elisha cycle (2 Kings 2-8), which contains forty-nine child characters. Combining literary insights with social-scientific evidence, the author demonstrates that children play critical roles in the world of the text as well as the culture that produced it. In dit zeer persoonlijke boek bewijst Lena Dunham, de bedenker, producer en hoofdrolspeler van de HBO-serie *Girls*, dat ze een

van de meest authentieke jonge Amerikaanse auteurs van dit moment is. Dunham beschrijft verliefdheden, eenzaamheid, hoe het is om vijf kilo te zwaar zijn terwijl je alleen maar gezonde dingen eet, vriendschappen met geweldige vrouwen, verbroken relaties met foute vriendjes, ware liefde, en bovenal: hoeveel moed het vergt om te geloven dat jouw verhaal het waard is om te vertellen. In 'Ontmaagd mij (Nee, echt, ga je gang)' doet ze verslag van haar eerste keer, die niet helemaal aan haar verwachtingen voldeed; in 'Foute jongens' onderzoekt ze waarom ze zich zo lang aangetrokken heeft gevoeld tot klootzakken; 'Is dit wel echt?' is een prachtige bespiegeling op haar obsessie met de dood, en in 'Ik heb niet met ze geneukt, maar ze schreeuwden tegen me' verheugt Dunham zich op de nietsontziende en allesonthullende memoires die ze zal schrijven als ze tachtig is en het haar niets meer kan schelen hoe de wereld over haar denkt. Not That Kind of Girl is een rauwe, ontroerende reeks berichten van het front van de strijd die volwassen worden heet. 'Ik voorvoel nu al mijn toekomstige schaamte dat ik me verbeeldde je ook maar iets te kunnen bieden,' schrijft Dunham, 'maar als ik met dat wat ik heb geleerd één lullig baantje draaglijker kan maken voor jou, of je ervan kan weerhouden het soort seks te hebben waarbij je het gevoel

hebt dat je je schoenen moet aanhouden voor het geval je er halverwege de daad vandoor wilt gaan, dan was elke misstap van mij het waard.' After completing the mysterious test to become a Grand Magi with her shandar, Jerdone, Zandreena was looking forward to peaceful years of studying to perfect her magic. But fate and a prophecy of old made her leave her home and led her to an adventure and eventful encounter with the fearless Ash'len, the spiritual Danica, and the proud thief Ren, all of whom would play a role in her journey to finding the Orb of the Magi. This immense duty placed in the hands of this young Grand Magi was not welcomed by everyone, and she had to protect not only her life and her friends' but also her very mission to locate the orb. With the land stripped of its grandeur and serenity due to wars and dark magic, these young men and women must stay together, fight for their lives, and believe that fate would direct them to saving mankind.
