**"A young girl imagines what it would be like to go back in time and hunt and eat with dire wolves during the last Ice Age, before they went extinct"-- There's no escaping a Dire Wolf on the hunt...Even as the playboy of the Dire Wolves, Levi isn't exactly a soft touch. He likes his liquor, his women, and his photographs...but he also has an affinity for sharp knives and claws. What starts as an assignment to investigate humans finding their way onto a pack's land quickly becomes something darker, more dangerous, and a whole lot hotter than he expected. Amy refuses to leave her pack behind, but living in the small town at the base of their mountain gives her enough freedom not to feel trapped. So does running the diner she owns and loves. But someone's been watching her a little too closely, and it's not the handsome wolf shifter who crashes into her kitchen one night looking at her as if she is the last woman on earth. One soldier who's never cared enough stay, one woman whose roots run too deep to leave, and a stalker with more than just peeping on his mind. In the world of the Dire Wolves, a simple mission means standing your ground and fighting to the end. But this time, a single glance blows simple right off the mountain and forces Levi to run when he'd rather stand and fight...just as long as his mate is running with him. One soldier, one fight...one chance at forever. Torro is the newest member of the Alakota pack of**

***dire wolves and sole heir to their leader, Derinie. Born into a world of turmoil and without a mother he must learn the ways of the pack with its order and rituals to survive the harsh climate of the prehistoric Ice Age. With the pack starving for prey and despite his inexperience at hunting, he sets off with his best friend Elsie in search of the caribou. But will his spunky personality and steadfast determination be enough for him to survive threats from saber toothed tigers, mammoths, and bears? While traversing the frozen tundra Torro must also manage hostile encounters with rival wolf packs plotting for control of the Alakota territory while his father's leadership is challenged from within. Only Torro knows a secret that threatens the lives of every pack member. How can this brave young wolf protect himself and help the pack to survive through the harshest of winters? Trail of the Caribou chronicles Torro's treacherous journey of growth and discovery in a world of peril and promise. "This imagined world of wolves has all the complexity of human relationships in a time before human interference; complete with Native American-inspired folklore and rituals in a rapid-paced story of courage and survival. Torro forges friendships, navigates danger, and connect with the spirits of his ancestors to thrive in the hostile wilderness -a real thrill ride! If you loved the Warrior series or The Guardians of Ga'Hoole, this is***

***the book for you." Wendy Beeman, Educator To stay together, they'll have to escape prison, outsmart wizards, and solve the mystery of a magical sanctuary town. Skyla Chekal is in trouble. She's a prisoner in an illegal underground auction house that sells magical creatures. If they learn she's a dire wolf with free magic, they'll hold a special high-roller sale just for her. She needs to keep her head down and escape, but she can't because she smells someone who stirs her in the way only a true mate can. She can't leave without him. Siberian tiger shifter Nic Paletin can't believe he's found himself in a cage in an auction house run by wizards. As long as he continues to play dumb, he should be able to get out soon. But the intriguing smell of a woman who calls to his tiger has him tied up more than the shackles on his ankles. As turned on as Skyla is by Nic's intoxicating presence, she knows they first have to survive long enough to get free. Unfortunately, threats continue to escalate. In their escape, Skyla is sent somewhere else, and Nic has no idea where or what trouble she might be in. He must find her before the wizards do, plus figure out how to work together if they're going to crack the secrets of a mysterious new-old town. And they better hurry, because the greedy wizards not only know where they are, they're after the fabled treasures of this vulnerable sanctuary town. Continue the enthralling***

**paranormal romance with Heart of a Dire Wolf, the third book in USA TODAY bestselling author Carol Van Natta's fun, action-filled, steamy-hot Ice Age Shifters™ series. ~~~The Ice Age Shifters series: \*\* Shifter Mate Magic (Book 1) \*standalone \*\* Shift of Destiny (Book 2) \*standalone \*\* Heart of a Dire Wolf (Book 3) \*\* Dire Wolf Wanted (Book 4) An elementary exploration of dire wolves, focusing on fossil evidence that helps explain how their shaggy hair, strong jaws, and sharp teeth helped these beasts adapt to the last Ice Age. There's no escaping a Dire Wolf on the hunt...Feared by even his own kind, Bez of the Dire Wolf shifters knows exactly how to succeed in any battle. Even if that means racking up collateral damage along the way. A simple mission into the swamplands to save a teenage wolf shifter should have been an easy track and retrieval for a man with his training, but nothing comes easy when the fates get involved. In one night, Omega Sariel went from a free, single shewolf to a captive with a teenage girl to watch over and a couple of guards intent on making her life miserable...what little is left of it. Then a soldier with ice in his eyes walks in, and the mating call begins. He's too tough, too harsh, too murderous...but when your life hangs in the balance, a lethal fighter in your corner is better than battling alone. Especially one who isn't afraid to get a little dirty with her. Two kidnapped women,**

In the wilds of Northern Alaska, the last of the Dire Wolves fight for their very existence... Whiteout by Shelby Morgen: Zan gives John a reason to want to live as a man again. But before he can make that kind of promise, he's got unfinished business to take care of. Silence by Lena Austin: Noel Miller, a vampire with a few scars of his own, wants to be more than Cam's sign language interpreter. If only the werewolf will let him into his life -- and heart. White Heat by Shelby Morgen: Heather Grant's got far too much experience working with stubborn males. She figures it would serve both Alphas right if their pride blows their cover. But someone's got to salvage the mission. There's no escaping a Dire Wolf on the hunt...Dire Wolf Phego has a history. One that haunts him and holds him back in ways even he doesn't want to admit. A mission for one of his brothers bring changes, though, and he's going to have to figure out how to deal with his past if he's ever going to have a future. Michaela likes to**

**be needed. As the doctor of her pack, she's used to being called out at all hours to assist on everything from accidents to baby deliveries. When an old friend is the one calling, she'll do anything to help, including putting up with a cranky, standoffish oaf of a man who can't seem to make up his mind on what he wants from her...if anything. One soldier fighting demons from his past and his present, one woman doing all she can to save those she cares about, and a shadow that inches closer every day. In the world of the Dire Wolves, time off from missions should be calm and easy. But when ghosts come calling, Phego will have to decide if hanging on to his past is worth giving up his future.
